2) New Horse Listings

A copy of the AMHA/CMHA registration paper for your horse must accompany this form if **both** of the following conditions apply: (1) It has not been listed in past Directories and (2) foaled after 2004. If you had horses appear in past directories, you need only list the name, registration number and status (see symbols below) of the horse and your listing will be updated.

**** Note that half Lippitts can be listed but not advertised in foal, for sale, at lease or at stud as per Club Policy as adopted by the General Membership in 1995.**

Use for new horse listings. All information must be complete for approval by the Lippitt Club Screening Committee.
See symbols below
AMHA, CMHA or RAF
